headline?

Masters-level counselors provide individual and group clinical Counseling Services for adults and children who have witnessed or experienced domestic and/or dating violence. Counselors will acknowledge your strengths. They will provide guidance and support while you create a personal service plan which allows you set your own unique goals.

Whether you are currently involved in an abusive relationship or have been previously affected by violence and abuse, we're here for you.

Counseling Services are also available for children and adolescents who have witnessed or experienced domestic violence and/or adolescents who have experienced dating violence.

All individual and group Counseling Services are free. All services are nonjudgmental, confidential, and encourage empowerment.

The Crisis Center for South Suburbia prohibits discrimination against its clients based on the individual's real or perceived race, color, religion, national origin, sex, gender identity, sexual orientation or disability.
