2018 is almost over!
Give the gift of *safety*.

Make a difference and save a life today.

As 2018 comes to a close we would like to thank all of our donors, volunteers and supporters for helping us to provide safety and hope to victims of domestic violence. Many of our clients arrive at our shelter in a state of shock and they are unsure of what lies ahead. Your support helps us to provide counseling, a warm bed to sleep in and a path to new life, free from violence.

Your donation helps us answer and respond to over 1,900 hotline calls and assist over 12,000 people each year through our life-saving programs and an array of services.

Thanks to the Palos Hospital volunteers!

We had another wonderful holiday season at the shelter and we would like to thank the volunteers from Palos Hospital for helping to coordinate a party with a wonderful feast and a visit from Santa and Mrs. Claus! We would also like to thank all of the volunteers who helped to gift wrap toys and other presents this holiday season. It was another year full of magic and we couldn't do it without you!
