

Crisis Center E-Connection

In March we recognized National Social Work Month and National Women's History Month

Every March, National Social Work Month recognizes the dedication and empathy social workers across the country deliver while providing services to children and adults in need. Social workers are advocates, advisors, counselors, and facilitators who provide support to people of all backgrounds in our communities. **We are incredibly grateful for the amazing social workers on our Crisis Center staff who help victims of domestic violence every day!**

We also recognized the importance of women in history, including our own **Dianne Masters and the women of the AAUW (American Association of University Women) Palos-Orland Branch**, who founded the Crisis Center for South Suburbia. Without their vision, we wouldn't be here to help so many through the trauma of DV and watch them choose their personal path to safety and independence!

Upcoming Events Mark your calendars!

Spotlight on our AMAZING Supporters

Tinley Park-Frankfort Rotary Club
Donation

The Rotary Club of Tinley Park-Frankfort gifted the Crisis Center for South Suburbia with a donation check of \$1,250 at their March meeting. All of their members have very strong ties to the community and are committed to providing help to those who need it most. Thank you for being our Community Champions!

Phil and Tamara Reiter reached out to us to ask how they could help the Crisis Center the most during this time. They donated many boxes of paper product supplies that we really needed for the Shelter!

Angela Saria and her group from St. Xavier made 30 Spring Flower Bouquets for the moms staying at our shelter. What an amazing way to put a smile on their faces and make them feel loved and supported!

Support Opportunities

Shelter Meal Donations

Every day we have a need for meals to keep clients and their children healthy while they stay at the Shelter to heal. **YOU can help by donating a meal.**

You, your family, neighbors, your social group, church ministry or civic club can order a family-style meal or catering package or make a home-made meal for our shelter residents- typically around 35 people. Having a special meal at the shelter is a real treat for all our families!

Please reach out to Sarah for more details and to arrange a day and time for delivery.
